

Ettore Biggi

Calgary, Alberta | (403) 470-6273 | ebiggi94@gmail.com

Professional Summary

Operations and security professional with nearly 10 years of experience at Calgary International Airport working in fast-paced, safety-sensitive, and highly regulated environments. Experienced in operational coordination, workforce logistics, and frontline leadership support, including daily staffing coordination for more than 900 personnel across multiple operational areas. Demonstrates strong communication, reliability, adaptability, and sound decision-making under pressure. Seeking to transition into industrial operations with AdhMor Ltd., bringing hands-on operational leadership experience, a strong work ethic, and a long-term interest in power engineering and industrial systems.

Professional Experience

Screening Officer & Break Relief Coordinator – Calgary International Airport
September 2016 – Present

- Coordinated daily staffing movements and break schedules for 900+ screening officers across multiple operational zones.
- Maintained full operational coverage in a high-volume, time-sensitive environment with continuously changing demands.
- Worked directly with supervisors and frontline teams to resolve staffing gaps, scheduling conflicts, and operational issues.
- Supported continuous passenger flow and operational continuity across multiple airport security areas.
- Ensured strict compliance with safety, security, and regulatory procedures in all operational activities.
- Communicated across multiple departments to support effective coordination and operational response.
- Consistently relied upon for professionalism, reliability, and calm performance in high-pressure situations.

Education

Power Engineering Studies (Upcoming) – Southern Alberta Institute of Technology (SAIT)
Expected Completion: Fall 2028
